

# Motion Picture/Television-Fire Safety Officer

Presented by  
**CAL FIRE/Office of the State Fire Marshal**  
Hosted by  
**Long Beach Fire Department**

State Fire Training accredited FSTEP course is designed to educate and inform both public safety agencies and private sector interested regarding film production fire safety in California. Discuss and demonstrate the proper use, handling, storage, and transportation of special effects and how they are used within the industry. Provide a leadership role in educating local government agencies throughout the State by standardizing regulatory safety requirements as they apply to the motion picture industry. Recognize that the motion picture and entertainment industry is a safe and vital form of commerce in California.
